BoSLcam — rev1.3.0 layout review

Revision date: 2026-10-14. Enlarged camera / RF detail; review drawing only.

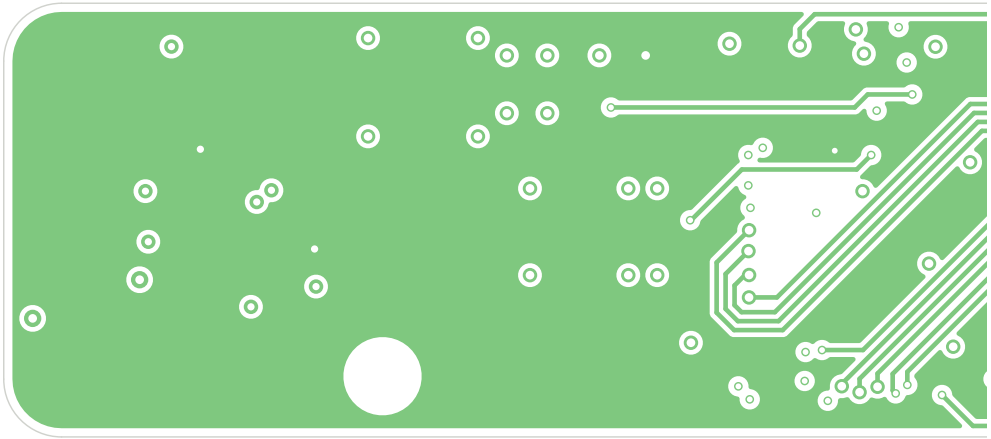

Front: surface signal routes; camera area clear

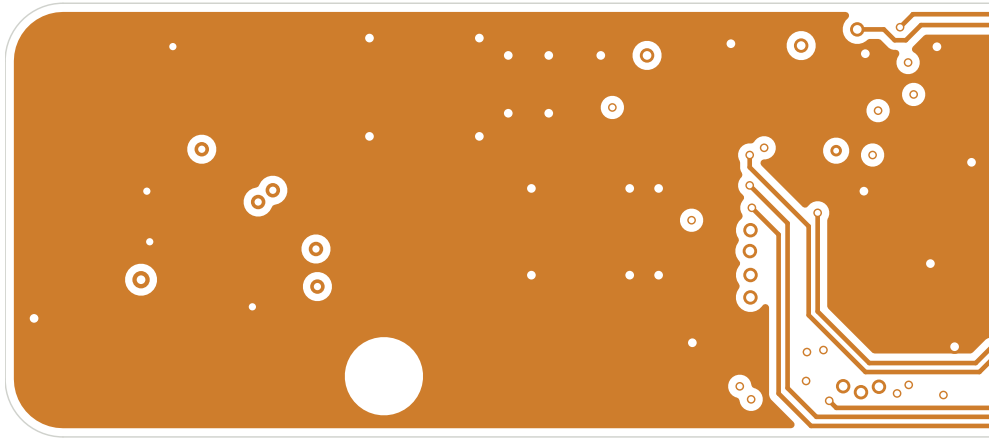

Rear: Q1 and sensor moved away from RF

Inner 1: 3.3 V copper

Inner 2: ground copper

Camera envelope follows the existing F.Courtyard outline and BOM OV7675 module. Copper views are not fabrication files.
